Subject: Brief Hearing Update Available

Good Evening Again Bay Area Cabin Owners:

Sharon Karr just released her NFH Blog Update from Washington. Click on <http://nationalforesthomeowners.org/leadership/> to read her message. They're exhausted at this point and it will no doubt take a few days to extract all the details. Be looking for an update on the website as well from NFH President Geoff Andersen to be posted soon. Click on <http://nationalforesthomeowners.org/>

By all advance accounts things went very well. **Congratulations to our fine group of representatives. THANK YOU!**

Good Evening,

George
