

PINECREST SONG

G **C**
The 'Garden of Eden' has vanished they say

G **D7** **G**
But I know the lie of it still

G **C** **G**
Just turn to the right at the scent of the pines

D7 **G**
And follow the road down the hill –

C **C**
'Tis there you will find, I know sure enough

A7 **D** **D7**
When fortune has come to our call – Oh

B7 **E** **C** **G**
The trees are so tall around Pinecrest Lake

C **D7** **G**
And the blue sky is over it all ...

C **G**
Yes, the blue sky is over it all.
