Subject: MOU between Pinecrest Permittees Association [PPA] and Tuolumne County Fire Department [TCFD]

Funds have been aggregated to purchase a new fireboat to replace the 1965 converted Salmon Fishing Boat that was donated to TCFD by PPA in ____ .

This aggregation has been accomplished through the efforts of the TCFD Pinecrest Fire Station personnel and the communities of Cold Spring, Strawberry & Pinecrest to garner over \$42,000 in donations and the donation of approximately \$43,000 from the Pinecrest Permittees Association and funding of \$15,000 from Tuolumne County. The PPA **relinquishes all ownership rights in the new fireboat, except as specified below.**

The parties agree that TCFD will own, maintain, **fuel, and insure** the boat and that **its** primary location will be Pinecrest Lake, when the lake levels permit and in the PPA Yard when the Lake is low. Pinecrest Fire Station personnel will be trained **by TCDF** in the **operation and maintenance** of the boat & staff the vessel with TCFD **oversight in accordance with Federal, State, and/or Local Regulations.**

The boat may be relocated from Pinecrest Lake only when **both parties deem** immediate **and necessary** its use to save life and/or secure property **elsewhere.**

This agreement shall govern the life of the new fireboat, and is subject to modification at any time by the mutual agreement of both parties. A party's conflicts of interest arising from this agreement must be disclosed to the other party. Any dispute arising from this agreement shall be resolved first by majority vote of the boards of the respective parties, then through mediation, and if necessary arbitration, by a mutually agreed upon person or council. (Tim, if you know of a person or group that the PPA and TCFD would want to work things out it would be a good idea to name them here) This agreement is the sole and entire agreement.
